

A delicious night out – for a great cause!

Help & Hope is Arlington's premiere culinary event, featuring dishes from the city's finest chefs, all coming together with a common mission – fighting food insecurity in Arlington. Funds raised by **Help & Hope** support Arlington Charities, the largest provider of supplemental food assistance in the city.

Arlington Charities' services include:

- Weekly order-ahead grocery distribution by appointment
- Home delivery for older adults and those with transportation or mobility challenges
- A Market Truck that brings fresh, nutritious produce and other items to food deserts throughout the city
- After hours grocery pickup using climate-controlled "smart" lockers
- Support for unhoused neighbors that includes lunches, snacks, hygiene items and more
- Large-scale Mobile Market food distribution events
- A partnership with Tarrant County College SE that includes an on-campus food pantry for students

Simply put, we believe that no one should go hungry and our multi-faceted programs strive to reduce barriers to food assistance. In 2025, Arlington Charities distributed more than **2.8 million pounds of food** to our neighbors in need. As the cost of living continues to rise, we can expect more families to turn to us for support.

By supporting **Help & Hope** as a sponsor, you are ensuring that we can continue to meet that growing need. Thank you for joining the fight against hunger in Arlington.

We'll see you at *Texas Live!* on March 4!
