About Arlington Charities and Help & Hope

Help & Hope is an annual special event benefitting Arlington Charities that supports the organization's mission in the fight against hunger and poverty. Chefs and restaurants, along with the community, come together for an evening of food and fun to raise critical dollars for Arlington's oldest social services organization and largest supplemental food source.

Arlington Charities services include:

- Weekday grocery distribution by appointment
- Home delivery for older adults and the homebound
- The Market Truck that brings fresh produce, bakery and dairy to the food deserts in Arlington
- Twice-weekly sack lunches for our unhoused neighbors
- Four monthly Mobile Food Markets that serve up to 1,200 families
- Stocking the satellite pantry at Tarrant County College Southeast

We believe that no one should ever have to go hungry. In 2024 alone, Arlington Charities distributed **2,368,704** pounds of food to those in most need. By the end of 2025, we are projected to serve nearly 70,000 families based on current rates of distribution. We do not expect the cost of food — or food insecurity in our community — to decrease. The funds raised by Help & Hope make our work possible. Please join us in the fight against hunger and poverty.
